

我们未来建立在与客户以及与热轧钢供应商 Saarstahl AG 公司的紧密合作，一同推动光亮棒材的持续开发。我们凭借富有创意的整体产品设计理念来完成任：用基础工件材料打造多种多样、具有全新用途的产品。客户的满意度就是我们最重要的目标。

Our future lies in collaborating with our customers and with Saarstahl AG as our rolled steel supplier in the continued development of bright steels. Working creatively to achieve a holistic product design, we have set ourselves the task of employing our material as the basis for a wide variety of products in new areas of application. Customer satisfaction is our main objective.

最佳品质--为客户并与客户共同进行产品开发

The highest quality - products developed for and with our customers

冷拉棒材

COLD-DRAWN BARS

| 横截面 CROSS-SECTION | 尺寸规格从/至 SIZE from to | 末端设计 BAR-END FINISH | 涡流裂纹检测 EDDY-CURRENT CRACK TESTING |
|----------------------|---------------------------|--|--------------------------------------|
| 圆形 Rounds | 5 mm 75 mm | 根据尺寸以及长度对棒材的一端或两端锯削,车削,或倒角 | 是 yes |
| 六角 Hexagons | 6 mm 60 mm | sawn, faced, chamfered at one or both ends, depending on size and length | 是 yes |
| 四方 Squares | 14 mm 60 mm | | > 40 mm |
| 扁钢 Flats | 根据要求 on request | --- | --- |

如有需要, 我们可以提供 100%, 超声波检测

客户的认同与信赖一直是我们最有价值的财富。因此对于 Saar-Blankstahl 公司而言, 对新老合作伙伴关系的精心呵护便是我们的重中之重。在全球增长伴随而来的机会的面前, 我们恒久不变的专注于品质以及坚信我们与客户间的纽带将成为我们的竞争优势。

Our customers' loyalty and trust has always proved our most valuable asset. We therefore regard cultivating new partnerships and maintaining long-standing ones as our top priority at Saar-Blankstahl. While receptive to the opportunities offered by global growth, we rely on a quality-focused continuity and the strength of personal relations.

精度 -- 满足创新型应用材料的要求

Precision - Material for innovative applications

剥皮棒材

PEELED BARS

| 横截面 CROSS-SECTION | 尺寸规格从/至 SIZE from to | 末端设计 BAR-END FINISH | 涡流裂纹检测 EDDY-CURRENT CRACK TESTING |
|----------------------|---------------------------|--|--------------------------------------|
| 圆形 Rounds | 20 mm 125 mm | 锯削, 一端或两端倒角 sawn, chamfered at one or both ends | 是 yes |
| 剥皮管材 Peeled tubes | | ø 25 mm - ø125 mm | |

如有需要, 我们可以提供 100%, 超声波检测

以客户为导向一直是我们企业追求的核心理念, 我们的员工也是如此贯彻执行的。我们将公平、可持续的双赢理念贯彻于长期的成功中, 为所有参与方都带来利益, 并实现稳定的增长。我们坚信: 只有共同繁荣的合作才能最终为人类带来所有活动的全面促进。

Our corporate philosophy revolves around practising customer orientation, and our employees are committed to doing the same. We consciously rely on the long-term success of fair and viable win-win concepts, from which all involved stand to gain and which stabilise growth. We do this in the firm belief that only advantageous interactions with one another ensure the human dimension - a factor that ultimately has a beneficial effect on all activities.

服务 -- 按照客户需求及时交付货物

Service - Delivery on demand from stock or just-in-time manufacture of our bright steel products

研磨棒材

GROUND STEEL BARS

| 状态 CONDITION | 尺寸规格从/至 SIZE from to | 尺寸规格从/至 SIZE from to |
|--|---------------------------|---------------------------|
| 拉拔, 研磨 Drawn, ground | 5 mm | 75 mm |
| 剥皮, 研磨 Peeled, ground | 20 mm | 140 mm |
| 研磨管材 (委托代加工) Ground tubes (commission processing) | 8 mm | 140 mm |

如有需要, 我们可以提供 100%, 超声波检测

作为制造最有前景的光亮棒材产品的专家，Saar-Blankstahl 公司二十多年以来一直居于新科技的领先地位。根据客户所定规范提供创新且效果显著的解决方案是我们的标志。我们永远是产品变革的先驱，我们是行业内杰出产品质量，加工技术，以及客户服务的标杆。

A specialist for some of the most ambitious bright-steel products, Saar-Blankstahl has been at the forefront of new developments for more than two decades. Innovative solutions of outstanding quality and made according to customer specifications are our trademark. Always one step ahead, we set the standards in product quality, production engineering and customer service.
